

**Relevance to Practice:** Don't forget to establish the relevance of your session. How does the session relate to the attendees work and priorities as early educators?

**Relevance to Early Achievers:** Don't forget to situate the session within Early Achievers. Explicitly state how this session is tied to Early Achievers. How will the content learned in this session help educators understand and/or accomplish goals related to Early Achievers? Where does this sessions content fit with the Early Achieves Standards?

**Relevance to Family Engagement:** Don't forget to incorporate family engagement (why it's important and how to do it) within the context of your session topic. What are the applications between this session and working with families? Are there any points in this session that can be shared with families?

**Relevance to Dual Language Learning:** Don't forget to address supporting dual language learners within the context of your session topic. How do the topics covered in this session apply when working with Dual Language Learners? What kind of modifications can be made to support Dual Language Learners?
