

eNIGO – Frequently Asked Questions

Revised February 13, 2023

Lincoln is committed to delivering a superior customer experience by making it easy for you and your clients to do business. eNIGO offers a faster way to satisfy not-in-good-order (NIGO) form requirements for pending Life insurance cases, including Lincoln *MoneyGuard*®. This process leverages DocuSign technology for agents and clients to electronically complete not-in-good-order form requirements, therefore driving efficiencies and improving the Underwriting & New Business experience.

Question	Answer
What is eNIGO?	eNIGO is a pending case status tool which offers agents and clients the option to electronically satisfy not-in-good-order (NIGO) form requirements, after application submission, by leveraging DocuSign to capture electronic signatures. This feature is available at no cost.
What is eNIGO Automation?	 eNIGO Automation is an enhancement to our current eNIGO process. The automation of the eNIGO envelope will generate on all eligible eInterview policies. The first automated eNIGO envelope will generate after the eInterview has been completed and the Lincoln New Business Case Manager has completed the initial review of the policy. The automated eNIGO envelope will only contain requirements that are issue restrictive and in a needed status. The second automated eNIGO envelope will generate on eInterview cases when the Lincoln New Business Case Manager has completed the quote scrub review of the policy, which is the step prior to the policy being e-delivered. The automated eNIGO envelope will only contain requirements that are issue restrictive, in a needed status and will not duplicate documents that have already been sent via Enigo. Only requirements that are Issue Restrictive or in a needed status will be sent via eNIGO Automation. Duplicate envelopes containing the same documents will not be sent via eNIGO Automation, regardless if they were sent via automation or the manual workflow
Why should I use eNIGO?	 eNIGO helps close the gap from submission to placement by offering electronic signature (eSignature) capability on previously submitted forms, resulting in: Fewer In-Person Client Touchpoints Eliminates the need for wet signatures to update forms after application packet submission Quicker Turnaround & Reduced Cycle Times NIGO Forms are resolved quickly and efficiently

	Reduced Exception Requests eSignature capability makes it easier for the agent and client to resolve NIGOs prior to policy issue
Is eNIGO available for all pending Lincoln life insurance policies?	Yes. The eNIGO process is available for all pending Lincoln life insurance policies, up to four owners, including: • Lincoln TermAccel® Level Term • Lincoln LifeElements® Level Term • All permanent IUL/SIUL, VUL/SVUL products • Lincoln MoneyGuard® products Not available for LifeGoals.
Is eNIGO available in all states?	Not available in New York.
Is eNIGO available for all distribution channels?	Yes. eNIGO access is available for all distribution partners, subject to firm approval. eNIGO Automation is not available for Direct Agency.
If I am a new agent, can I use the eNIGO process?	You must be a licensed and appointed agent with Lincoln in order to leverage eNIGO. An active agent number is required to electronically sign the forms.
Where can I access eNIGO to initiate the process?	You have two options to access and initiate the eNIGO process for a pending case: 1. Lincoln's Producer Pending Website 2. Automated Follow-Up Case Status Emails
Do I have to be a registered website user to access the eNIGO process?	No. eNIGO can be initiated without logging in to the producer pending website, through a link provided in the Automated Follow-Up Case Status email .
	"Guest Access" policy information will be limited in eNIGO and will ONLY include what was viewable in the email. Guest users will not have the ability to view completed forms already received by Lincoln.
Are all forms available in eNIGO?	Most forms are included in the eNIGO process; however, the following are currently excluded:
	All States • Product Application (Part I, Part II) • Child Term Rider Supplement • Insured B Supplement • Signed/Revised Illustration • 1035 Exchange Forms *eNIGO is not available in NY

Can eNIGO be leveraged for cases submitted through the ticket submission process?	Yes, eNIGO is available for <i>LincXpress</i> and <i>TermAccel</i> ticket submissions. The product application and supplemental forms needed for placement will continue to be completed during the client interview (online or phone) and signed on delivery. Other forms may be completed through eNIGO, when available.
What if I'm not the writing agent on the case, can I initiate eNIGO?	eNIGO can be initiated by the agent(s), case manager or delegate with transaction. However, the writing agent is the only person who can complete the DocuSign electronic signing process.
My client does not have an email address. Can they use eNIGO?	No. Your client must consent to the electronic signing process and a valid email address is required.
I have a case with spouse owners, and they share an email address; can I use the same email address for both owners?	No. Each signing party is required to have a unique email address to consent and complete the eNIGO process.
The client's email address that was provided on the application is not the email address that we want to use for the eNIGO process. Can I change it?	Yes. The eNIGO form will pre-populate with the email addresses that were previously provided to Lincoln, however you will have the ability to edit or change any email address prior to initiating the process.
If I have questions on eNIGO policy information page, who do I contact?	For Term, IUL and VUL life insurance cases, you can initiate an online chat session with a New Business Associate from the "Chat with Us" link at the top of the eNIGO policy information page. Chat with Us should be used for any administrative question related to the case you are viewing at that time. Or, you can contact the New Business Case Manager assigned to your case. Can my client choose the Authentication Method after they consent to the DocuSign process?	 The Authentication method available will be based on the phone number type provided for the client. Cell Phone Text Message Authentication. If a cell phone number is provided, the client will receive a text message with a confirmation code to provide and begin the electronic signing process. Standard messaging charges may apply Home Phone Voice Authentication. If a landline phone number is provided, the client will receive an automated voice message with a verification code to provide and begin the electronic signing process. No Phone Number SSN Authentication. If no phone number is provided for the client, they will be required to provide the last 4-digits of their social security number for authentication to begin the electronic signing process. Note: The client's phone number is required for Lincoln MoneyGuard, therefore this method will not be available for those cases.

Which Authentication Methods will be available for agents?	Agents can only authenticate through the SSN Method and will be required to provide the last 4-digits of their social security number for authentication to begin the electronic signing process.
If there was only one required field missing on the form, will my client have to complete the entire form again through eNIGO?	 No. Only the missing information will be required, with the following exceptions: The Authorization for Release of Information (HIPPA) form If the NIGO requirement is for Replacement forms or New York Reg 60 Paperwork, new forms must be completed in entirety through the eNIGO process.
Once the eNIGO is initiated, what is the signing order?	Each signer will be required to complete the missing forms through DocuSign, in the following order: • Agent • Insured or Insured Owner • Insured B or Insured Owner B • Owner • Co-owner2 • Co-owner3 • Co-owner4 The agent will be the first signer in the process and will be able to pre-fill information on the document prior to releasing the document(s) to the client(s) for review and signature. The client(s) will have the ability to edit any client information entered by the agent prior to signing.
What if one of the signing parties declines to electronically complete and sign the form(s)?	The packet will be cancelled, the Lincoln New Business Case Manager will be notified, and the status will be updated to "Cancelled". To reinitiate the process, the agent, case manager or delegate with transaction access must re-select the forms and create a new packet for the eNIGO process.
My client accidently declined the DocuSign packet. Can it be resent?	If the client declines the DocuSign packet, the process is cancelled. Please reach out to your New Business Team to have the policy packet resent.
If I need to cancel the eNIGO process, can that be done?	Yes. If the signing process has not been completed by all signing parties, the eNIGO process can be cancelled and stopped. The agent, case manager, delegate with transaction access or New Business Case Manager can cancel the packet for all signing parties. The feature is available in the Packet Submission History in the Policy Details section of the Producer Pending Website. For non-website users, they will enter through the "Guest Access" eNIGO link in the Automated Follow-Up Case Status email.
If I cancel the eNIGO packet, can I reinitiate the process?	Yes. The agent, case manager, delegate with transaction access or New Business Case Manager can resend the packet to the signing parties. The feature is available in the Packet Submission History in the Policy Details section of the Producer Pending Website. For non-website users, they will enter through the "Guest Access" eNIGO link in the Automated Follow-Up Case Status email.
Once the eNIGO process has been initiated, how long do we have to complete the process?	Signers will get a reminder email every 3 days until action occurs on the packet (Forms signed/Decline to sign).

How will my client know what information is required on the form in DocuSign?

The signer consent email from DocuSign will include an outline of the required information needed on the form(s):
